

FACE SHIELD

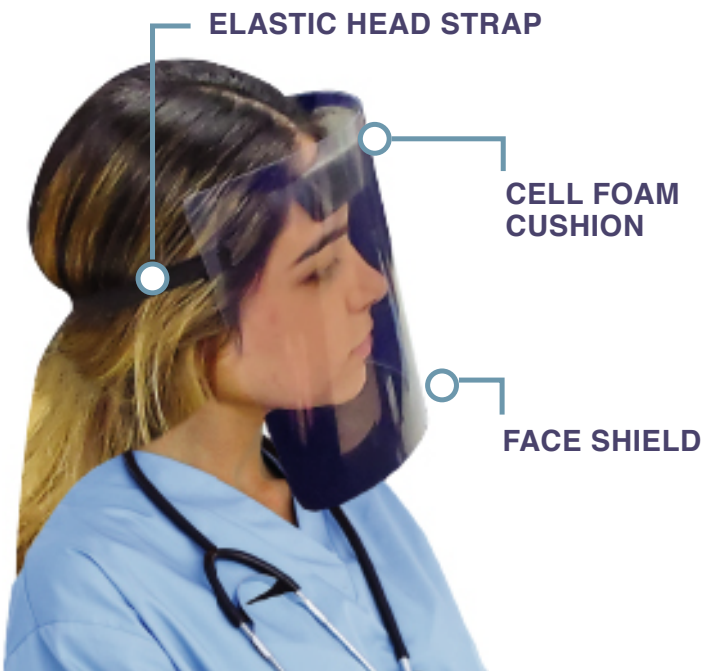

AVAILABLE

Overview

Health Mobius worked with a manufacturer with 30+ years of plastic thermoforming experience to provide economical face shields for the medical community and first responders. We collaborated with doctors and nurses to design this face shield to their specific requirements, while remaining economical.

- The Health Mobius face shields is designed to protect the wearer's face and provide additional protection to their eyes.
- Affordable protection for healthcare, sanitation, industrial, and food service professionals.
