

Mesh Sitback Rest™

Maintain Proper Posture

- ➔ Provides targeted support for the lumbar curve
- ➔ Compact & lightweight design
- ➔ Elastic strap fits almost any chair

Proper Posture

This lightweight version of the popular Sitback Rest promotes proper posture in any chair while providing support and comfort for your lower back. The mesh material maintains airflow to your back, keeping you cool and comfortable all day. Our side-support wings ensure ultimate comfort by helping keep you in the correct position. Use at home, office or in your car.

Durable Materials

The Mesh Sitback Rest is constructed from nylon, which is known for its strength and resiliency. The convenient, elastic positioning belt attaches this Mesh Sitback Rest to any chair.
